Religious scholars and college Bible study groups could use the Star of Jesus as a witness tool. It could be a way to celebrate your faith in Jesus and encourage study of the Holy Scriptures. The Star of Jesus Jewelry is a nondenominational and international Company with heavenly treasures for you to buy that promote friendship. A blog has been just started at <http://tellaaboutjesus.grouproly.com> to boost conversation between those who are learning about Jesus, and using the Star of Jesus symbol. Let us know on the blog how the Star of Jesus is encouraging you. This set of jewelry with a star relates to the Return of Jesus, written about in *Jesus Is Our Star*, author, Calasia Day, published by Authorhouse (ISBN #1-4208-8917-6). This Messianic Star, signifying the Liberator, Deliverer, and Savior of the world from evil, is a line of jewelry for this divine figure in every culture. This star is a symbol is to be worn by anyone who will put their life on the line (martyrs) for the salvation of others, like did Queen Esther, and Jesus. The Star of Jesus represents the Messiah, the New Jerusalem, and the Rapture expected to come globally for all who believe in Jesus. It hangs on a diamond shaped black square (Black Rock) with an invisible cross shown by the four corners, north, south, east and west. As a peace symbol for the Middle East problem, it has a Jewish Star of David in the center. In the center of the Star of David is the Tree of Life. There are religious unisex pendants, jewelry chains, necklaces, earrings, tie tacks, lapel pins, belt buckles, bola ties and key chains for purchase as gifts. Make a statement wearing the Star of Jesus T-shirt. A small easy to carry Bible displays the Star of Jesus Keychain. There's a powerful package for your prayer closet too. See Special Offers. For the perfect communion or baptism gift, buy the Star of Jesus! The biblical significance of numbers as related to the Star of Jesus has been explained in the book, *Jesus is Our Star*. The name Jesus means "Salvation" and as written in English to sound like Hebrew is Yeshua, or Arabic is Issa. There are 12 triangles for the 12 disciples, 12 tribes of Israel, and 12 tribes of Ishmael. The religions represented in Israel are mostly of the Jewish, Muslim, and Christian faiths, which have historically warred with each other for power. This messianic star places the power to decide back into the hands of our Judge, King Jesus. Power given to him by the God of Abraham, who sends the Comforter. Three overlaid squares represent the throne of God for the Father, Son and Holy Spirit. The star jewelry symbolizes peace between these three religions joining them as allies and family. Also bringing into the fold all others from different religious backgrounds that have suffered to promote the love shown by Jesus is what the Star of Jesus will accomplish.
